

Low Resistance High Capacity Advanced Medical Kit

+MEDICAL KITS+

▪ MEDICAL KIT CARRIER (MKC)

COLORS AVAILABLE:  Black  Coyote Brown  Olive Drab
 Ranger Grey  Multi Cam

The ultimate in low-profile Medical kits for operators. A compact shaped medical kit with room for all medical emergency essentials, and then some. It's shape enables our pouch to take JUST 2 M.O.L.L.E. columns on your tactical best or other M.O.L.L.E. placements. The shape allows for other items to fit inside with full functionality. Exterior 2" x 2" Velcro patch for Special labeling if needed.

We guarantee that this kit is compact and versatile for any mission setting. Our Advanced MEDKIT comes with Care Under Fire, internal Velcro detachable bungee cord wrist attaching carrying elastic webbing, even under fire you will be able to return fire and get back to administering aid without losing valuable time and items because your gear is unorganized spread on the floor
